On behalf of the American Telugu Association (ATA), it is our immense pleasure to **invite you as a Reporter/Media Coverage** to our biennial ATA Conference and Youth Convention at The Walter E. Washington Convention Center, Washington, DC during July 1-3, 2022.

Established in 1990, the American Telugu Association is a not-for-profit organization that provides a platform for Indian-Americans of Telugu origin to utilize our nationwide network and promote our language, culture, and economic growth to uplift the rapidly growing Telugu- American diaspora. ATA is at the forefront of assisting the Indian community wherever and whenever the need arises. With members in all 50 states, our organization is the principal voice of Telugu and Indian-Americans across the country. We conduct our biennial Convention and Youth Conference at rotating sites throughout the country, and we are thrilled to hold our 17th Convention in the majestic city of Washington, DC from July 1st to 3rd, 2022.

ATA's main mission is to promote our culture and heritage and pass it on to our next generations. Some of these events include Job fairs, Educational and Business seminars, Health camps in rural areas, Initiatives for digital classrooms in rural schools, Sanitation projects, and more. Children from across the country participate in cultural programs and performances, dances, and singing competitions celebrating Telugu culture.
