Dear Kejriwalji,
Kavita Akka,

This is to bring to everyone's notice in regard to the chats released by my legal team after serving to Investigation Agencies 2 days ago. I have noticed that there were queries and doubts and mainly responses, which I would like to clear, out all doubt, queries and even give my reaction for the response. Hereby I am mentioning the same point wise below:

1. The chat screenshots which were released as seen are of mine along with TRS MLC K. Kavita and the numbers saved on my phone of Kavita Akka are + 91-6209999999, +91-8985699999, and chats were of these numbers, and I have even shared a screenshot along with my contact list of the phone, which shows the same. As News Channels were raising questions to which

numbers were used to chat with, as the screenshot only showed, Kavita Akka TRS, but I have very well given the screenshot of the numbers and contact saved which shows very clearly.

2. The second chat with number shown +919810154102 is the personal mobile number of Satyender Jain and the screenshot of the chat is between me and Satyender Jain discussing about delivery of 15 Crore cash to Sister HYD @ K. Kavita TRS, and AK Bhai is Arvind Kejriwal.
 3. TRS/ BRS Leaders are saying how Sukesh knows Telugu? – Let me make it very clear that my mother tongue is Telugu and Tamil, apart from all the other languages I know. From my childhood at home my parents speak in Telugu and Tamil, so its my mother tongue. So, these silly things are being made up only to divert from the main issue by the TRS Leaders.
 4. The question of how Sukesh could access these chats from jail? Let me make it very clear these chats are 2 of 703, and there are voice chats, photos, videos also, and they are very much in possession of my team, so on the basis of my instructions and the Investigation Agencies' request, my team outside will handover all the evidence to the concern.
 5. It's a very expected and a standard response given by Kavita Akka, that all chats are not true and she saying she does not know Sukesh and economical offenders etc but let me answer this too. Instead of giving these standard dialogues have the guts/ dum to ask for a detailed investigation on the chats by ED/ CBI, if you're truthful, let then Court and law decide if the chats are real or false, I have that's why also annexed affidavit 65B Evidence Act, authorised by Hon'ble Court along with all the screenshots of chats, so kindly Kavita Akka read 65B Act, before commenting on anything.
- I always have and still will term K. Kavita and Kavita Akka, because I have always respected her as my elder sister, but sometimes in the interest of people at large and this country, you tend to speak the truth or betray your own of exposing their real side, in the interest of truth.

Question * Everyone wonders why I am doing this now?

A) Is it because someone politically is making me, do it?

B) Is it because I am seeking favour to get my cases done in my favour?

Answer- No, none above, the truth is, as stated before, as I am contesting elections Lok Sabha next year, I feel, I want to come out clean, remove all these dirty secrets, burden of these people from my mind, heart. Before I start working for the people, or before I start asking for their mandate by voting for me. So, I am disclosing all these things on my own and not for any undue benefits as anyone thinks, or says, from anyone.

6. K. Kavita Akka calling me Economical Offender, saying she does not know me etc – firstly, there are many cases faced by her family, and now she herself is in the middle of investigation, so what more can I say, secondly she obviously will not accept the truth of all that I am putting out, but I can assure not for long as the law is stronger than everyone and surely everything will be proved and will be answerable to law, no matter what gimics or diversions, she or any of her associates try. One has to always know when you spit up towards the sky. Remember it will fall back on your face, so whatever you and your associates try talking about me, a strong answer will be given back by exposing everyone to the T, no matter what.

7. Kerjiwalji now that as told before your time has come to be welcomed to Tihar club, all the truth will be out starting with you being summoned to investigation by CBI. Truth will always prevail. Next screenshots will be of yours and mine, facetime call we had after delivery of 15 Crores to K. Kavita, so coming soon, be ready. After that will be second episode of screenshots of chats between you, me and Satyender Jain where amounts of Rs 7.5 Crores and 11.25 Crores which was sent to Goa, and the famous

10 Rupee 70 Km, you suggested. So Kejriwalji be prepared with your diversion tactics.

8. Finally, I suggest Kejriwalji and Kavita Akka please have the guts to welcome a detailed investigation by ED/ CBI on all the chats and details given by me instead to giving silly responses on twitter, which looks very old school and amateur, I expect better of you guys. And also remember trying to brush away things calling me conman, thug, economical offender, will not make any change as you guys too are offenders under investigation, and your application is not needed as, If I am all those names, you guys are calling me, where was all that till last 2 years back when you all were using me for your benefits? So now its time you get back.

No matter what, I want bow down or will back out, you know me well.

So, see you all soon at Tihar Club Inc. and have shame to welcome investigation.

Thanking You

Respectfully
